

PRE-CONTRACTUAL INFORMATION

TIME DEPOSIT: "TIME DEPOSIT @ A CLICK"

Product description: Time deposit in euro or foreign currency with a term of 7 days, 1, 3, 6 and 12 months, with return of principal amount and interest at maturity. The Term Deposit offers a guaranteed return and a preferential interest rate depending on the amount, currency and duration of the deposit. The interest rate is kept fixed for the entire duration of the Term Deposit.

Time Deposit Account: The account held by the customer with the Bank and on which the Time Deposit function is based.

Service Account: Defined as the first demand account, which may be a Savings, Current or Demand Account, servicing the Time Deposit Account at inception, maturity, and renewal, for the purpose of yielding interest and principal. This account always has the same beneficiaries as the Time Deposit Account.

The Bank is entitled, without the cooperation of the beneficiary/co-beneficiaries, irrevocably either to debit the service account for the principal of the opened term deposit and the deposit tax or to credit it with the gross interest amounts and the principal of the term deposit after its maturity in any way (including the non-renewal of the term deposit until the maturity date).

A. Key Features of a Time Deposit:
